Elterwater Place, Newton, Lancaster
LA1 3NH

About Elterwater Place

Elterwater Place is a scheme situated in the Newton area of Lancaster complete with convenience store for all your daily essentials.

There are also two small retail parks close where you will find major supermarkets including B&M Bargains and Lidl.

The scheme is on a local bus route for buses into the city centre or nearby villages in the Lune Valley including Caton, Hornby and Kirby Lonsdale.

It is only a short walk into Lancaster City Centre and you can take the scenic route by walking down Lancaster Canal. You can also get access to the stunning River Lune Millennium Park and riverside walk via a short meandre along nearby Lancaster Canal.

The scheme is set back from the main road so residents can benefit from living in a peaceful location with everything you need within easy reach.

Most of the grounds at Elterwater Place are communal and are looked after by our grounds maintenance team. Some of the bungalows have their own gardens, which are maintained by the tenants.

Accommodation

Mixture of bungalows and flats – all with access to outside garden space.

Scheme Facilities

- On-site Independent Living Officer regular contact provided during office hours
- Emergency alarm system, for 24 hour assistance (pull cords and pendants)
- Communal garden area
