

Notice – Delay to 2021/22 Accounts Publication Date

The Council has produced its statement of accounts for the year 2021/22. The Council is required to publish audited accounts on or before 30 November 2022.

The Council has been informed that the external audit of the accounts will not be concluded within this timeframe due to the appointed firm being unable to resource the audit in a timely manner. It is expected that the audit will be conducted early 2023.

As such, under the Accounts and Audit Regulations 2015 (as amended), this notice is hereby given that the statement of accounts cannot currently be published. The accounts will be published as soon as reasonably practicable after the receipt of any report from the auditor which contains the auditor's final findings from their audit.
