

# Strickland Park Rules

(March 2023)

- The speed limit is set at **10MPH** for a reason and this must be strictly adhered to at all times by residents and visitors to the park.
- No Motor vehicles are allowed to be dismantled or repaired on the park at all.
- All cars must be parked only in approved parking areas and must not be parked on the access road throughout the park.
- Strictly no commercial vehicles should be parked on site unless authorised by site manager or owner.
- Residents should keep their properties maintained including landscaped areas and driveways.
- Toilets **MUST NOT** be used to dispose of sanitary including incontinence products or wipes as they block the drains which cause major problems to the drainage system.
- Drains **must not** be used to dispose of chemical waste such as paint or engine oils. Any cooking oils/fat must not be poured down kitchen sinks as these cause damage to drainage system.
- Dogs **MUST** be kept on a lead at all times and never be allowed to foul the park (BAG & BIN IT)

Regards

Jim site manager
