Section 18 of 21

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

Designated Premises Supervisor nominated (Matthew Owen-Event Director).

Sufficient number of staff on the premises to cover all aspects of the event (15 marshals). Additional security & medical teams have been subcontracted (3 Security & 2 Medical).

Staff are regularly trained throughout the year at our smaller shows & there will be a full brief and training before our show.

Adherence to 4 objectives as below

b) The prevention of crime and disorder

There will be a constant 3 SIA badged security at all times during the event.

The bar, which has been hired for this event, will be running a strict check 25 policy. They will also hold their own Refusals Register and Incident Report Register which they will send to the 'Wheels Up North' team after the event has been concluded.

All members of the 'Wheels Up North' team will be briefed and trained prior to the event on how to de-escalate situations that may arise by the subcontracted security team.

We have a zero tolerance policy on any illegal substances on site. A lock box will be on site and it will be kept in a secure locked car owned by the site security manager. Anyone found in possession of illegal substances will be removed from the venue. If the quantity is deemed to be more than personal use, police will be involved and all illegal substances on removal of said person will be confiscated (handled by our subcontracted security).

Radios will be provided to all staff (security, medical & marshals) in order for best communication between all parties.

A register will be kept of any issues which occur during the event by the 'Wheels Up North' team.

c) Public safety

The licence holder (Matthew Owen-Event Director) or people authorised by them will check the premises before it opens to the public to ensure there are no risks to patrons and that all safety precautions are in place.

Continued from previous page...

The licence holder (Matthew Owen-Event Director) will ensure that all staff receive appropriate training about emergency and general safety precautions and procedures.

Crowd management plans will be put into place to reduce overcrowding in certain areas such as the show field and food & drink area. This will involve spreading out the display and stalls in the show field to distribute crowds evenly around the event. The food & drink area will be constantly monitored, if this is starting to become overly busy (especially around 12:00-13:00 on show day) marshals will be instructed to only let people into that area once other guests have left.

Vehicle movement on site will be limited, any vehicle who wishes to move will be guided through by a marshal at low speeds with hazard lights on.

The licence holder (Matthew Owen-Event Director) will ensure that all staff are aware of their social and legal obligations.

All rubbish removed from public areas on a regular and frequent basis.

All drinks purchased on site will be served in open plastic containers or plastic bottles. No glass will be served from the licensed bar.

There will be 8 fire extinguisher points throughout the venue with a mix of 3 water extinguishers, 5 Dry Powder extinguishers and 12 foam extinguishers. Our elected head staff of each area and the event directors (6 marshals) will have had a fire training course in order to best know how to deal with a situation should it occur.

An adequate and appropriate supply of first aid equipment and materials available on the premises. Our subcontracted medical team will have at least 2 fully trained staff working the hours of the event.

d) The prevention of public nuisance

Suitable and conspicuous notices shall be displayed at entrances, exits and around the site with all site rules. Security will also be enforcing these rules on site.

Alcoholic drinks purchased on the premises will not be allowed to be taken off site.

Due to the isolated location of the venue, no noise shall emanate from the premises nor vibration be transmitted from the premises that gives rise to a nuisance.

Where live/recorded music takes place, the licence holder (Matthew Owen-Event Director) shall undertake regular monitoring of noise levels with a digital decibel monitor at the nearest noise sensitive locations. A record shall be kept of any monitoring, including date, time, location, name of the person conducting the check and any remedial action taken. Records shall be kept for at least 6 months and made available on request to Police or an Authorised officer.

e) The protection of children from harm

Colour coded wristbands will be used on site for marshals, security and medical to best indicate attendees and their age range (individual ID checks will still take place at the purchase of alcohol).

-Adult Wristband (gold)

-Under 18 Wristband (bright red)

There will be a lost child station at the medical van which will be visibly signed. All marshals, security & medical staff will be under the instruction that if a lost child is found at the event, they will be taken directly there.

Anyone under the age of 16 can only attend the event with adult supervision.

The licence holder (Matthew Owen-Event Director) will operate a Challenge 25 Age Verification Policy and display prominent signage at the point of sale indicating that the Challenge 25 scheme is in operation. These signs will be provided to the bar on site if they do not have them.

Continued from previous page...

The only acceptable proof of age identification shall be a current Passport, photo card or Driving Licence.

Section 19 of 21

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

The above map indicates where on site alcohol will be served and consumed. It also shows the area in which both live and recorded music will be played, stage location, safety equipment location and ingress/egress routes.

The food & drink area labelled at the top of the site is the only area around the site where the bars will be located. There will be 1 small bar and alcohol served to the limited number of guests in the VIP area, they will open on Saturday 16th August from 11:00 - 16:30.

The show field is our main static vehicle showground. This section will only be open throughout the Saturday day time from 10:30 - 16:30 to the general public. The small bar is located at the top of this area, in the food & drink zone. This will also be a glass free zone and all vendors must serve in plastic containers.

All of the red squares within the site are the location of the fire extinguisher equipment points. These are dotted around the site to allow easy/quick access in case they are needed. These locations will be monitored throughout the day to make sure nothing is missing.

The music marquee will be located within the show field on the map in the food & drink zone. This area will play pre-recorded music at intervals during the day when there are quiet gaps between interviews and live music. This area will be monitored on how many people are within the stretch tent by security and marshals and when the tent reaches capacity no more guests will be let in until others leave.

Gate A is our main entrance and exit for all throughout the weekend.
