M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 9)

A premises licence holder or nominated responsible person will be present whenever late-night refreshment is provided.

Staff will be suitably trained on the premises licensing conditions before undertaking duties, managing customer behaviour, preventing nuisance and reporting incidents or safeguarding concerns.

A record of this training will be kept at the premises.

b) The prevention of crime and disorder

Staff will monitor the customer waiting area and entrance during late-night trading. Customers behaving aggressively or causing disorder will be refused service and asked to leave. Staff will contact the police where necessary and will not be expected to intervene physically.

A log will record incidents of crime or disorder, including the time and date of the incident, and the action taken.

CCTV equipment shall be installed and be maintained in good working order in accordance with the manufacturer's instructions.

The images recorded by the CCTV system shall be retained in unedited form for a period of not less than 28 days.

The Data Controller will make footage available within a reasonable time to a Police Constable or Authorised Officer, where such request is made in accordance with, and which satisfies the Data Protection Act 1998.

c) Public safety

Staff will monitor the customer waiting area during late-night trading and manage admissions to prevent overcrowding or obstruction of the entrance and exits.

Customer routes and exits will be kept clear. Spillages and other hazards in the customer area will be dealt with promptly.

Customers and delivery couriers will not be permitted behind the service counter or into food preparation areas.

d) The prevention of public nuisance

The premises and its frontage shall be kept clean and free from litter when the premises is open to the public.

Prominent notices will ask customers to respect neighbouring occupiers and leave quietly. Staff will ask customers causing noise or congregating immediately outside after collecting their orders to move on quietly.

A customer litter bin will be provided and emptied before becoming full. Staff will check the frontage during late-night trading and at closing and remove litter associated with the business where safe to do so.

Delivery couriers will be instructed to keep collection noise to a minimum and not to sound horns or leave engines idling while waiting. They must not compromise public safety or cause nuisance whilst collecting deliveries.

e) The protection of children from harm

Staff will be instructed to recognise and report concerns about the welfare of children attending the premises. Concerns will be referred to the responsible member of staff and, where appropriate, the police or relevant safeguarding service. Any immediate danger will be reported to the emergency services.
