This map is part of the Local Plan for Lancaster District 2011-31 and will be incorporated into the district-wide Policies Map when the Land Allocations Development Plan Document (DPD) is adopted. The Morecambe Area Action Plan (AAP) for central Morecambe contains development management policies for the plan area where a different approach is required to policy for the rest of the district. In these cases the Morecambe AAP replaces (in whole or part) specific policies in the Development Management DPD. The Development Management DPD policies otherwise apply.

This map has been drawn using the Ordnance Survey National Grid and the illustrated area lies within map grid SD.
